

Nitrile

Medi-Inn® Nitrile Chemical Resistant Gloves

Especially high and safe protection when cleaning with chemicals

The Medi-Inn® **CLEAN PERFECT** protective gloves are perfect for cleaning with chemicals & disinfectants, and offer guaranteed protection from the cold and heat. The cotton velour lining makes these gloves very comfortable to wear, even when working for longer periods of time. The fully micro-roughened surface of the gloves enables the user to have a secure grip, even on wet and greasy surfaces.
