

PRODUCT SPECIFICATION

REF 390101 FIRST AID KIT MEDIUM

1 GENERAL PRODUCT DESCRIPTION

Description

A First Aid kit containing first aid products to be used in emergency situations (bleeding, breathing, burns, sprains, circulatory shock). The strong and durable case has an adjustable handle making it easy to attach or carry around. All products are easily available and protected against dust, dirt and moisture inside the well-organised bag. There is also space for additional supplies.

The bright green and yellow coloured kit is clearly visible at a distance.

The Medical device products inside are CE-labelled.

Storage information

Dry storage in room temperature. For maximum protection, keep the products in original package until use.
